Chastain Veterinary Medical Group Pet Health Fact Sheet

Relative Age of Dogs or Cats in Human Years

To use this table, find your pet's weight range in the top row of (white) cells. Then drop down to the row in which the left most cell (gray) contains your pet's *actual* age in years. The cell in which your pet's weight range (top, white) intersects your pet's age (left, gray) contains your pet's approximate age in people years.

Green = adult Orange = Middle Age Dark Orange = Senior
